## SHERIFF BUFORD AT WORK.

Captures in Columbia a Negro Wanted in Newberry on Various Charges.

Sheriff Buford went down to Columbia on Saturday night to take charge of a negro for whom he has been looking for some time. The following in reference to the capture is from The State of Sunday:

"Sheriff M. M. Buford of Newberry came to the city last night to take back with him 'a slick duck,' John Gray, alias John Livingston, alias John Hogdie, a negro from Newberry County, charged with various crimes. About seven months ago the warrant for his arrest was placed in Mr. Buford's hands. A few days ago Sheriff Buford learned that the negro wanted had landed in Columbia. He at once proceeded to lay plans to catch him. Friday night he was caught in this city. When arrested he was armed and showed fight. It seems that he had been in Virginia, North Carolina and one or two other States. He said he had come to Columbia to 'take in' the fair, but instead of taking in the fair he will register today at Buford's hotel in Newberry.

Sheriff Buford when he once gets a clue seldom fails to catch the party wanted.

## COURT OF COMMON PLEAS.

Special Term Convened Yesterday Morning—Solved Verdict in Case of Reeves vs. Southern—Four Other Cases Against the Southern Taken Up

The special term of the Court of Common Pleas ordered for Newberry county convened in the court house yesterday morning, Judge Izlar presiding.

The case of Thos. R. Reeves vs. The Southern railway, suit for \$1,900 damages, was first taken up. The damage claimed was for injuries resulting from a walk from Old Town to Newberry, a distance of 13 miles, forced by failure of the Southern's night passenger train to stop at Old Town. It appears that on the 3d of July, 1900, Reeves, who was then working in the cotton mill, in company with several friends went to Old Town on a hunting trip. Desiring to return the next night, they flagged the train. The train failed to stop and plaintiff was forced to walk. For this walk, from these causes, he demanded \$1,900.

A sealed verdict was rendered last night.

Four persons were with Reeves on his trip and each separately entered suit for a like amount, on the same grounds. These four cases were bunched and taken up together yesterday afternoon and will be continued this morning.

Mr. Beddoes within the past few days has finished work on the septic tanks and put the system as a whole in proper working order. He is now anxious that a few connections, at least, be made in the city immediately in order that the work may be tested. The connections at the Mollohon mill have already been made and everything is working beautifully.

As yet, no rules and regulations under which private connections may be made, have been public by the Commissioners of Public Works.

## O. M. JAMIESON,

The Head to Foot Clothier.

## Eyes Examined Free For Three Weeks Only.

Commencing Tuesday Oct. 21.

Office Newberry Hotel.

## DR. CRIMM,

THE FAMOUS EYE SPECIALIST.

Who has been coming to Newberry the last two years, is in the city again at Newberry Hotel and will be pleased to examine and fit glasses for all who are in need of them. The numerous patients of our city who were fitted by him are his best and greatest testimonials. Don't allow unscientific men to trifle with heaven's greatest blessing, which can be preserved by the use of properly fitting glasses.

These testimonials from our own town speak for themselves. This is what Hon. Y. J. Pope, associate justice of the Supreme court, has to say of Dr. Crimm:

Newberry, S. C., March 6th, 1902.

Dr. I. Crimm, Oculist and Optician, Newberry, S. C.

Dear Sir: I ask leave to bear witness to the excellence of the pair of eye-glasses you recently prepared for me. I am sure from my own experience

with your work that you understand your business. Sincerely,

Newberry, S. C., March 18, 1902.

Dr. I. Crimm—Dear Sir:

The glasses you fitted for my son have proven to be just what was needed. He can study at night with ease and comfort, and appreciates the benefit he enjoys by the use of them.

Hoping your greater success in the future, I am sincerely yours,

WILSON C. BROWN.

Besides these he has hundreds of other grateful testimonials from the best people all over the State where he has visited and will be glad to show them to any one who desires to see them.

Parties will remember that most cases of cross-eyes can be cured by lenses without cutting. Remember, it costs you nothing to get the information that will cost you high if you consult any other specialist in any of our great cities.

CAUTION—Dr. Crimm's Spectacles are never peddled. Dr. Crimm has no agents and he does not travel through the country, and any one representing himself for same is a fraud. Don't miss this opportunity to call on him.
